President's Message

The Club has traversed through six months, with a couple of interesting events which I believe has brought pleasure and joy to many of you keeping our motto; "The Club for Good Times" alive. In the next few months, members expectations would be fulfilled, with many captivating events as per the Silver Scene calendar of events.

First, let me thank the Chairman, Deb and her team of the "Christmas in July" Event, for organising and staging this event. The news has gone far and wide, so much so, that we are expecting about 140 members and guests, who will be attending. It appears to be a record for the Club. Thank you to all our members and guests.

The other very important Event is the 50th Anniversary Celebrations meeting, where members get the opportunity to partake in Sub-Committees, who will organise and play hosts as Leaders and team members. We would like everyone to attend. As this will be a proud achievement of our Club, organised by members for members, guests and the public.

In August is the much-awaited Sports day organised and planned by Spencer with Stalls selling food, entertainment for the Children and a Cricket match. In short it will be a GREAT day for all our members and guests.

The Club night on September 8th called "Saturday Nite Fever" will be another night to celebrate and remember. The caterer will be Thilani, and the popular duo "Lovely Daze" will provide the music with our own DJ Dennis, playing your favourites.

Well folks, I believe I have tempered your spirits with the interesting events ahead and look forward to seeing all of you soon.

*Best regards,
Davenal

IMPORTANT NOTICE TO ALL MEMBERS

As you would have read in a previous Newsletter, Enoggera Bowls Club is being renovated and we have had to find new venues for our functions, one of them being the Mitchelton Senior Citizens Centre.

Unfortunately this venue can only seat comfortably, approximately 130 people and there could be times we may be at this number before the closing date for bookings.

We would strongly recommend that if you intend attending a function that you book early so as not to be disappointed.

REPORT ON THE ANNIVERSARY NITE - 16 JUNE 2018

Another great night. It was one of the best functions for this year no doubt. We had 100 members and guests attend the function. Walking into the hall on a wintry night everyone was greeted with some elaborative table décor by Rena.

New to the Club was the two piece Duo "Lovely Daze" that did not disappoint and kept everyone on the floor swinging and dancing through the night. The crowd was a mix of young and not so young who enjoyed the wonderful selection of music. And then our DJ "Dark'n'tall1" (our very own Ruwan) took over. There was non stop music till it was time to say goodbye.

Many thanks to Rena who worked tirelessly organising the entrées which was a variety of savouries individually served and welcomed by all.

Catering for the night was by Jeremy Henderling who provided an excellent and extensive buffet meal which was beautifully presented. Everyone present enjoyed the good food. Thank you Jeremy.

Thank you Deborrah for designing and printing of the programmes, table numbers and the large Anniversary cake and Susan for the great job organising the many prizes for the raffle. Thank you also to Davenal, Egerton, Sharyn, Patrick, Shania, Carlton and others on the Committee who helped.

It was a little disappointing that some members did not attend the function but this may have been due to other commitments. You missed a good night! We hope to see you all at our next function.

I wish to take this opportunity to thank all who attended, it was a night to remember!

Regards
Gerard Fernando
Chairperson

GARDENING AUSTRALIA CHANNEL 2 – ABC TELEVISION

Featuring: Anthony Vethecan, Station Master of Norman Park Station & it's Gardens

Friday 31st August 2018 @ 7.30pm & Saturday 1st September 2018 @ 1.30pm

BLOOMING LOVELY UPGRADE

A Blossoming project has transformed Norman Park Station, thanks to the green thumbs of Station Master Anthony Vethecan.

Creating a full and fragrant customer experience, the project has done more than attract local fauna to the flora – having caught the eye of several of our customers who have rolled up their sleeves and helped create a little piece of paradise. As for Anthony, he's now armed and dangerous to ensure the historical station is putting its best face forward.

"I have two sets of gardening tools, a set he keeps at home and then a set for "my station," he said.

"As you walk up from the car park to the station, the garden is the first thing you see and it was bare and dull. I thought to myself that that's not the first thing I want to see when I get to work, nor is it the first thing that I want my customers to see, so I brought in my gardening tools and some plants to try and make it look a bit better. I get to work a little bit earlier than when my shift starts, that way I can water my plants, sweep the underpass and make sure that the station is ready for when customers arrive," he said.

It wasn't long before customers saw his efforts and got involved too. "One of my regular customers, an elderly lady who doesn't live far from the station, saw what I was doing and started bringing me cuttings from her garden," he said. Every week when she would go for her walk, she would drop off a bag of plants and I would find it waiting for me."

In addition to the magnificent garden that is now on the bank behind the station, another customer provided historical images of the railway which Anthony has displayed within the station itself. Here you will also find pot plants, all donated by customers who have been happy to be a part of the transformation.

"I like that I have been able to improve the customer experience for everyone who comes to the station. Connection with customers and having them involved in the process has made it even more rewarding. I am really proud of what we have been able to achieve in less than a year," he said.

Seeing the changes to Norman Park Station in such a short amount of time is a direct reflection of Anthony – a hard working individual who takes immense pride in everything that he does.
