IMPORTANT NOTICE TO ALL MEMBERS

As you would have read in a previous Newsletter, Enoggera Bowls Club is being renovated and we have had to find new venues for our functions, one of them being the Mitchelton Senior Citizens Centre.

Unfortunately this venue can only seat comfortably, approximately 130 people and there could be times we may be at this number before the closing date for bookings.

We would strongly recommend that if you intend attending a function that you book early so as not to be disappointed.

COMMITTEE NEWS

Ranjith Thomas and Jacklyn Schokman have resigned from the Committee due to work commitments.

We are happy to advise that as we were short of Committee members, Thomazine Fernando has agreed to join the Committee.

President's Message

Dear Members,

My message to you is one of joy and happiness. Joy due to the fact our last few events have been successful and enjoyed by many, happiness, as I look forward to the Camp and Christmas functions in the next few months. Sorry I am getting ahead of myself.

Thank you again, for your attendance at our Christmas in July Event, which had over 140 members and guests, a great gathering enjoyed by all, due to the organising talents of Deb (our Secretary) and her team which included the Culinary delights of Rena and Jeremy Henderling. More information in this copy of the Silver Scene.

The Saturday Night Fever event, on 8th September was another exciting Event, thanks to Egerton and his team, with excellent food from Thilani and great music by Dennis and the Lovely Daze. I was disappointed that there was only a small contingent of members and guests, however, many members and guests, said they had a good time.

The Sports day as you will read in the Silver Scene was a tremendous success, thanks to the hard and tiring work done by Spencer, our Sports Co-ordinator. Although the members were few the food stalls did a roaring business. My thanks to our Visitors the Goanese Club, who had a great day of playing Cricket and comradeship. More news in this copy of Silver Scene.

Sunday 16th September, is the most important Special meeting, as the Club, organises, the activities for the forthcoming 50th Anniversary in 2020. As I have said before, it is your Club and with the cooperation and participation of all of you and the many sponsors, it will be a Gala function, one to be celebrated with Joy and happiness. Thanks to Gerard and his dedicated team for arranging this meeting and inviting all members.

The year 2018, has only four months to end, so the Club is keeping our best events for this period, that is commencing with the Have a chat and Food Fair, chaired by Dennis and his team with lunch by a new Caterer, Uppamalika of Fire & Spice restaurant, the Club Night in November with new Bands. The ever popular Golden Years Party chaired by Susan and her Team and lunch by Jeremy with able support from Rena. In December we also have the very popular Children's Christmas Party and Carols night, ending a wonderful year with our very famous New Year's Eve Dance, which now in its 48th Year.

All these celebrations and events are only possible with your willing participation, so it is a very big Thank you from all the Committee for the cooperation and help you always gave us in the past and now look forward to in the future, to make YOUR CLUB a place of joy and happiness and everlasting friendship and "The Club for Good Times".

Your feedback is always important, so please let us know your thoughts, views and suggestions, whether they be Brickbats or Bouquets, so the Club can be a better organisation. Thank you.

I am also happy to welcome Thomazine Fernando, as a Committee Member.

Sincerely
Davenal

Happy Anniversary

Happy 50th Anniversary

Alan & Rowenna Western celebrated their 50th Wedding Anniversary

Community spirit runs strongly in the hearts of Alan and Rowenna Western who celebrated their Golden Wedding Anniversary on 2nd September.

Alan & Row have lived in Brisbane for 36 years during devoting a tremendous amount of their time working for and supporting such community activities as Silver Fawn Club, Meals on Wheels, St Vincent de Paul, Group 61 and the Banyo District Community Group.

Alan was on the Silver Fawn Committee as a member, Vice-President and then first President of the new century in the year 2000. One of his initiatives was the production of the Silver Fawn banner which he got funded by various members of the club for the 25th Anniversary of SFC. As leader of the Ladies Committee at the time Row produced the memorable Arabian Nights event - complete with live camels and belly dancers.

Rowenna, a former photographic model, Miss Max Factor of Ceylon and runner-up to Miss Ceylon, met Alan in London when she emigrated to the UK from Colombo in the early 1960s. After marrying and having three children there they emigrated to Brisbane in 1982. She loves to keep fit by tap-dancing with the Burnie Brae Tappers every week.

Alan leads a very busy life as a jazz singing entertainer, song-writer and producer. His voluntary activities include Vice-President of the Brisbane Jazz Club since 2014, where his TV, Radio and show business experience find him organising Festivals and managing the Brisbane Big Band with whom he has been resident vocalist since 1989. Alan has made a number of appearances at City Hall for the Lord Mayor's Seniors Cabaret shows and regularly comperes and sings for Banyo District Community Group events at Banyo Bandstand. In recent years he formed the very popular jazz vocal group Men About Town, and for the past 7 years has produced the highly successful Brisbane Big Band Festival.

As well as all their public involvements Alan and Rowenna are the proud grandparents of five grand-daughters and when asked how they fit all this into their lives the typical answer is "We never have time to think about it - we just do it!"

Letters to the Committee

"Christmas in July" was a magnificent function. For all of those who were involved in organising this special occasion, I send a big "thank-you"! Rena worked hard to make this function a success and Jeremy gave us a delicious meal with all the Christmas fare which most should understand requires extensive preparation.

The music and the other organised activities kept the members and guests entertained throughout the afternoon which overall contributed to a memorable function!

Becky Misso

Dear Davenal,

Just a small note to inform you that your Christmas in July & have a Chat Party was organized to the minute. I had Twelve of my friends at my table and we all thought that you & your Committee had done a great job, to start with the tables were well decorated and in good taste Meals were Excellent and in plentiful, the after Dinner Treats were beautiful and in good taste too, And most of all the serving of the meals went to clock work, on the whole the entire event was a great success. Hats off to Rena and Jeremy Henderling for that beautiful meal.

Davenal you and your Committee did a great job well done. Thanks.

John Bird

Dear Susan

We enjoyed the Christmas in July party especially because we associate Christmas with the cold weather. Also we enjoyed the Food especially the Christmas Cake, Kisses and the Breudher. Hope this tradition continues forever.

PS: I was wondering whether I could make a suggestion please. Whether a photo of all the committee members with names could be published in the newsletter. Most of the new members do not know who the committee members who are doing a terrific job are. I have never seen a club who has hard working, dedicated, committee members as in the Silver Fawn Club.

"Christmas in July - Have a Chat"

In our May-June 2018 Silverscene, our Club President Davenal mentioned the fact that our Christmas in July Have a Chat party had been revived and he assured everyone it will be an outstanding function! So the pressure was on as this was going to be the very first event I Chair for this club. The committee convinced me to take on the role saying that they usually get a small crowd of around 65 people so it will be a good experience for my first event! Well were we all in for a surprise as we sold over 65 tickets a month before the event and then we reached 125 and so on...but luckily Jeremy Henderling was very accommodating and increased the catering to the maximum hall capacity of 140. At one stage we had members on a waiting lists but fortunately I was able to please all who were keen to join in the fun.

I must say that Rena Henderling was the biggest driving force behind this event as she tirelessly called and invited many of her supporters while still being busy with making many of the delicious treats, gathering donations and raffle prizes and sorting out decor for the event. I can't thank Rena enough for all that she does for this club and we are truly blessed to have her wisdom, creativity and talents that she shares so generously with us.

The function was certainly a success. We had many letters and phone calls from members congratulating us on our efforts and sharing their memorable experiences so I thank all of you for your kind words.

On the day the scene was set, as the hall was decorated tastefully in Christmas colours everyone was greeted by Rena with a Champagne cocktail and a delicious piece of Sri Lankan Christmas cake that was placed in a little handmade Christmas bag! We enjoyed music from our very own DJ Dennis, a beautiful sentimental sing along was a big hit and our vocal chords were warmed by a complimentary drink of sherry, the delicious Sri Lankan Dutch cuisine Prepared by Jeremy and Rena of Lamprais, followed by Breudher, Edam Cheese, Marshmallows, macaroons and Iced coffee just to name some. There was bingo, raffle draws, door prizes and music for dancing while we chatted and enjoyed the good company around us.

Last but not least I must thank our amazing committee for all their hard work and support. There was a letter that was sent by a member that said "I have never seen a club who has hard working, dedicated, committee members as in the Silver Fawn Club." and I must agree with him as it is very true, these members help at each and every function and they give so much of their time freely to make each and every event a memorable one so we must all be very thankful to every one of them, Susan, Dennis, Gerard, Davenal, Sharyn, Aloma, Egerton and of course Thomazine and to my darling children who have all helped me from the start to the very end, especially Shania and Carlton who helped me with absolutely everything from printing and cutting out tickets, sorting envelopes, making Christmas Cake and the cake bags, selling raffle tickets, setting up the hall, decorating, washing, cleaning...you name it and they did it. I am a very proud mum of 4 beautiful children. A huge Thank you to Becky Misso and Patrick Maloney who are always around with a helping hand. Romany Shedden, Therese and Michael Metzeling who helped us on the day, Thank you.

Finally thank you to all the members and guests who continue to support us by attending our functions and keeping the Sri Lankan spirit and our community alive for our future generations to enjoy.

God Bless you all,

Your Honorary Secretary,
Deborrah Jansz-Cox

A FEW PHOTOS FROM CHRISTMAS IN JULY— HAVE A CHAT

SPORTS DAY & FOOD FAIR - 19 AUGUST 2018

It was a pleasant sunny day, an ideal day out in the park for a Cricket Match and Food Fair. Couldn't ask for anything more. Spencer's mighty effort to get the best location at Venner Rd, Fairfield paid off by attracting more crowd than expected.

The match was between the Goanese Club and the Silver Fawn Club. It was a friendly match played with the usual rivalry between both teams. Spencer was not 100% fit on the day so he delegated the captaincy to Gerard who took over the realms as captain. The toss was won by SFC and we decided to bat first.

It was decided to make it a 30 over limited match and no batsman was allowed to score more than 30 runs. Once the player reached that score he or she had to voluntarily retire. The Goanese had 2 female players and we had 1 - Teckla Wallace.

While the match was going on the Stall Holders were making a killing with their sales. Jeremy, Rena and Rowena sold out their food stuff in no time. Most people missed out but opted to buy short eats and little delicacies sold by others. It's a shame we didn't have more Stall holders.

Back to cricket and the runs were piling up for SFC. Opening batsman Shirley Don spared no mercy and leathered the bowlers mercilessly. He top scored with 31 runs and retired. Other top scorers were Egerton 10 and Gerard 8. The Goanese batted well and reached our score of 67 to win the match with a little bit of luck on their side. The game was played fair and square and was enjoyed by all. Shirley was unofficially declared "Man of the Match".

Thank you Spencer for all the mighty effort you put into organising this softball Cricket Match and the Food Fair. Well done.

Sri Lankan-specific Aged Care Facility
Sponsored by the Federation of SriLankan Organisations Queensland

The dream for most of us is to spend our twilight years, when we are no longer able to do our day-to-day work ourselves, at a place surrounded by familiar people and enjoying familiar food. This is fast becoming a reality.

The construction work of the proposed Sri Lankan-specific aged care facility in Springwood is fast completing now and will be opened in March 2019. This will be constructed and operated by the respected Aged Care provider, the ARCARE Pvt. Ltd. The Sri Lankan community living in and around Brisbane, led by the Federation of Sri Lankan Organizations of Queensland (FSOQ), made an excellent effort to obtain the required government approval for this facility.

A briefing session was held on 14th July 2018, organized by the Co-ordinators of the FSOQ, to educate the community about this facility and entry requirements. About fifty community members attended this session. The presentations included providing information on the type of Care provided by ARCARE, admission criteria for potential residents including the fee structure. The CEO of ARCARE, Colin Singh, made a speech about the facilities to be offered by the new facility, while other presenters, relevant managers of ARCARE Ltd. informed and discussed the requirements.

It was revealed at the session that the proposed facility would have 110 beds, 80% of which will be allocated to Sri Lankans. There will be Sri Lankan food served and the possibility of Sri Lankans being employed as staff. The attendees were requested to suggest Sri Lankan names for the different wings of the facility and these suggestions, were then collected, for consideration when naming the Interior sections of the facility.

Jayantha Pathikirikorale, Vice President of FSOQ and Co-ordinator, Sam Fernando spoke on behalf of FSOQ organizes, explaining the role of FSOQ in this initiative. It was emphasized that as the persons representing Sri Lankan community organizations, would not endorse any commercial entity and requested potential residents to compare the services offered by other similar providers and take informed decisions before applying to be residents.

Anton Swan, Honorary Consul for Sri Lanka, also graced this occasion and addressed the attendees. The meeting ended with a delicious morning tea by Rena Henderling. Observers noted that the meeting was well conducted and organized. Many thanks to ARCARE and our attendees.

Rest Your Mind

I know you have been laying awake at night wondering why baby diapers have brand names such as "Luvs", "Huggies," and "Pampers", while undergarments for old people are called "Depends".

Well here is the low down on the whole thing.

When babies crap in their pants, people are still gonna Luv'em, Hug'em and Pampers'em. When old people crap in their pants, it "Depends" on who's in the will

Glad I got that straightened out so you can rest your mind.
