Message from the President

Dear Members

In this communication there is a sense of sadness, as this will be the last message from me, since we have come to the end of the Club year. At the same time there is a sense of joy and achievement as the committee have attained all their goals by increasing the friendship and comradeship, increasing membership and having increased attendances at the various events

The year just gone had all our magical evenings in the form of Curry Nights, Anniversary Dance, and a memorable Fancy Dress, ending with our well attended Golden Years Party and New Years Eve Dance. In addition we had our CAMP which had a House Full sign, with the campers having fun filled evenings and sumptuous meals. The committee are extremely pleased that your Club was able to cater to your needs and give each and everyone of you a feeling of joy and happiness. However the Club also had the odd occasions of displeasure and unhappiness, from which the Committee will feel the pulse of the members and provide members with a better outlook.

The month of January celebrated our very intimate Have-a Chat with a delicious lunch menu by Jeremy Henderling, the popular bingo and a surprise act by Chris Greet, the popular Radio Commentator and presenter, actor from Sri Lanka in the 70's and 80's. To complete this array of events and end the year the Valentine Dance will be held on February 14th-Valentine's Day, we look forward to your presence in large numbers.

I believe that these events are successes due to the loyalty and keenness and concerns of you, our members. The Club needs this continued enthusiasm, as this is the ingredient that will drive our Club to be a better and a more improved community organisation, with the ability to serve you, the member. Bearing this in mind I would earnestly request that you attend the Annual General Meeting on 7th March 2009, and show your support and nominate for one of the many positions as your Club needs you, to build and move the club to greater heights to be that leading community Club, wherein members and guests could revel in friendship and comradeship

I take this opportunity to say a big thank you to my hardworking Committee for helping the Club to reach its goals. Also the member support I have received during my year of office has been tremendous and I am very grateful for this loyalty. It has been a wonderful and exciting year for me and I am sure the year to unfold will be a challenging one, but a very successful one with a new committee.

Margot joins me in wishing all of you a wonderful year ahead and great appreciation for your support

Best regards.

Davenal

The following article was sent in by Bob Dobbs, our resident gardening guru:

To All you Sri Lankans

We all know what the Durian is supposed to do to us Sri Lankan men.....

Recently I wrote an article about what the Murunga will do.....

And now I have come across another one.... The Pomegranate! I saw this snippet recently in the newspaper.

So there you go. No need to buy Viagra. Just plant Durians, Murunga and Pomegranate in your gardens.

I wonder what will happen if one eats all three on the same day !!!
Would it be aWOW!!

Another study shows that pomegranate juice increases men's sex drive, suggesting that Greek myths about its aphrodisiac qualities may be true.

Researchers asked 14 couples to perform a series of tasks after drinking pomegranate, orange or cranberry juice.

These included asking the couples to kiss and showing them images of scantily-clad models of the opposite sex.

The team at [Mindlabs International](#), at Sussex University, found the couples kissed more passionately after drinking pomegranate juice, sending their vital signs soaring.

The effect was significantly more noticeable in the men.

Letter received by the Treasurer from a member re NY Eve Dance

Dear Andy

Just a brief note to tell you how much we enjoyed the NY Eve dance. We were most impressed with the décor, especially the colour scheme. The meal was delicious and the midnight dance session was thoroughly enjoyable. Would you convey our appreciation to Barbara and Laurensz? However, we had hoped for more music by DJ Darkntall1 as we always enjoy dancing to his selections. Nonetheless, it was a very enjoyable night. Thank you to Preethi, yourself, Herbie and Lorraine and all who assisted in organising this special night. Your hard work is appreciated by Karol and myself.

Best wishes
Deanna

Letter received by the President from a member re Golden Years Party

Dear Davenal

I would like to congratulate you and the Committee on a successful Golden Years Party. The music was excellent and the food was good and of course yet again there was plenty of it.

The evening was superb, the MC did a marvellous job by keeping the evening flowing. The raffle ran smoothly. The winner picking the next ticket helped things along.

At this point might I make a suggestion and that is not to have so many people at a table, it was difficult to move between them, as some people were a little irritated when asked to move their chairs. I do hope we have more Golden Years Parties.

Lastly I would like to thank you for your letter of invitation to join the committee, unfortunately I live on Coochiemudlo Island and would find it hard to travel for meetings because of the distance. Tony and myself would like to take this opportunity to wish you and the committee a very happy Christmas and all the very best for the new year.

Yours sincerely
Bridget Martenstyn

A very good turn up of 25 members and friends made the 2008 Silverfawn Golf Day a successful one.

Sidney Shedden: Runner up with 31 points.
On Count Back from Ashley Storey

Winner (non members)

A big Thank You to Kiera of Golf World, Ian of House of Golf and Bill Deutrom for the donation of prizes.

Christmas Carols 2008 — A delightful evening

It was yet another Christmas Carols enjoyed by all on the night and more especially by the cast and musicians who gave up their time and talent to make it enjoyable for those who witnessed 'Long time ago in Bethlehem.'

It was nice to see families who were part of the cast and the blend of youth brought out the enthusiasm and spirit of Christmas which spilled over and delighted the audience. As in keeping with the spirit of the joyous season, it was delightful to see the Christmas story unfold in action, word and song in the first part of the evening and the very happy go bubbly charmers entertain the crowd with the ever popular Christmas songs in the second half of the night.

Perhaps the global financial meltdown deterred Santa from making his presence at the night, nevertheless the little children and grown up ones!! surely enjoyed the sumptuous snacks provided during the break and thoroughly enjoyed by all.

As over the years, this event has been gaining popularity and club support and Christmas as has always been is a feast enjoyed by the young and the old.

We therefore, take this opportunity to invite you one and all to be part of the celebrations for Carols 2009. Do give us a call anytime through the year.

REPORT ON FUNCTIONS/EVENTS

GOLDEN YEARS CHRISTMAS PARTY—6TH DECEMBER 2008

If we broke records in the previous year, we broke them again and this time with little effort to push ticket sales. About 170 tickets were sold to members and a few guests. For the first time (to my knowledge) we had to knock back a few late requests for tickets but with a few cancellations we managed to fit everyone in, when the day arrived.

The guests were treated to a complementary glass of red or white wine or a glass of orange juice on arrival and ushered to their tables. The tables were arranged in the traditional Christmas theme, designed and created by Romaine Jayakody. It is an organisers dream to have someone take on a task and complete it with no fuss and no need for supervision.

The meal was of the excellent standard we have come to expect from Rena and Jeremy Henderling. Like a good wine they keep getting better with time.

The music was provided by the 'Cool Daddies'. The boys must have done a great job because we did not have the customary complaints like, 'the music was too loud' or 'too soft' or 'they could have played a few more waltzes'.

The event was budgeted to incur a loss in order to give members more value for money. The dance made an unexpected profit partly due to a very successful raffle and the generosity of the members. Patrick Driberg took over the responsibility of organising the raffle and donating most of the excellent prizes. Olivia Bartholomeusz who was visiting from Sri Lanka had a display of some brochures and some promotional items relating to her orphanage in Sri Lanka. She was also most helpful in serving the entrees and the breudher made by Daphne Ephraims.

Overall it was an excellent night and all the hard work that goes into planning and bringing it together becomes worthwhile when you receive an e-mail from a member, such as the one printed below.

"Dear Sid and Pauline,

The time and effort you put into the Golden Years Dance is very much appreciated by Karol and myself. The hall and décor was festive and very lovely, thanks as you said, to Romaine. The food and presentation was superb and typical of Jeremy and Rena. I believe, best service is always their priority rather than financial cost. I certainly appreciate their generosity. Dancing to music provided by 'Cool Daddies' added to my enjoyment of the evening.

Our thanks to you and all who helped organise the function. (signed) Deanna."

I apologise for my omission in acknowledging the presence of a VIP at the dance. Anton Swan, the Hon. Consul for Sri Lanka in Queensland, was in attendance and it was remiss of me to forget to mention that fact to the guests.

I would like to add my personal thanks to Pauline, without whom I would not be able to accomplish many of the tasks I undertake and Colin and Marie who are the ever reliable helpers when help is needed.

Sid Shedden
Event Chairman

REPORT ON FUNCTIONS/EVENTS

31st Night Dinner Dance

On the 31st of December the Silver Fawn Club held their annual Dinner Dance to welcome the New Year. This year the dance took to a whole new level of fun. The decoration was done by the Tucker family and the Weerasinghe Family and not forgetting Ruvan for the fabulous lighting set-up, with smoke machines and lasers. The set out was complete with a theme of black and gold. The hall looked magnificent, from looking like a bowls hall to a night you'll never forget. Credit goes to the families that made it look the way it did.

By 8pm most people had arrived in their best dressed clothes, looking fabulous as always, boys in their dress shirts and best pants, and girls in their jazzed up dresses. Couples had already commenced dancing and by 9pm dinner was ready. No one can say the food wasn't exquisite, with a range of food to cater for all people and with the red and white wine, it jazzed up the meal. Barbra Storey and her team of helpers was un-stoppable, this being her first catered Silver Fawn function flowed smoothly and was a complete success. The food was fabulous and delicious, nothing was lacking of anything, and everything was cooked to complete perfection. A few hours down the track and we started the raffle tickets, thanks to all those people who donated most of the prizes and also not forgetting the souvenir book. With people taking their new great prizes it went back to a full dancing mode.

Time was ticking by, with only a few more hours till the New Year, everyone was excited. At 11:56pm everyone was dancing to the Band- Crystal Fire's music, which was great and suited the mood for the New Year. The band was enjoying the last songs of the year along side Ruvan, DJ Dark'N'Tall with his wonderful DJ music, when an announcement was made; it was a minute till the New Year. Everyone gathered on the dance floor and started the count down. Finally 12am came and everyone went wild, streamers being thrown, poppers popped and most of all hugs and kisses all round for the year 2009.

I have to say being a member of the Silver Fawn Club; I'm proud that members and non-members had a great night! The food was great, the music jamming and decoration to make it complete was a huge success plus we also can't forget Coll at the bar who did a great job and also thanks to our President Davenal who did a great job on the souvenir. I hope their efforts will pay off in the New Year. I give credit to all the people involved in making it such a success; I hope all dances in the future are as grand as this one.

Herbert Tucker
Vice President

REPORT FROM SID SHEDDEN ON HAVE-A-CHAT ON 17 JANUARY 2009

The Have-a-Chat held on 17 January was attended by 52 members and guests. On our return from Melbourne, Pauline and I found that the response from members had been fairly poor so we had to make some frantic calls to the regulars over the last few days to bring up the numbers. In the end it turned out to be as good an event as we have become accustomed to. All the usual helpers pitched in to make it one of the most stress free events I have been associated with. Even a new face was seen handing out the goodies left over from New Year's Eve. DJ Colin provided his usual quality of music from 'our era', Alan Western excelled himself as a bingo caller, and Becky did what she usually does, hassled everyone into buying plenty of tickets. The Drieberg/Garth syndicate decided to give someone else the chance to win a few prizes this time. There are others who help in the background doing whatever needs to be done and Patrick Maloney's name stands out. Uncle Gusty can always be relied on to arrange chairs and tables sometimes even more than required.

The meal as usual was a Henderling special. As one member put it recently, they put emphasis on quality not price and despite it being a low budget affair this meal was no exception. A feature of the day was a talk by Chris Greet, formerly of Radio Ceylon fame. He told us of his experiences with the Silver Fawn Club in Ceylon, His film skits in 'Bridge on the River Kawai' and a couple of 007 type Sinhala movies with Gamini Fonseka. His rendition of some of his lines in the movies had us all in stitches. I have never heard a Have-a-Chat crowd stay so quiet when anyone was speaking. (Except when the Bingo numbers are being called.)

This is the last Have-a-Chat for the current committee and I offer my sincere thanks to those who have helped and supported Pauline and me and other organisers in these events during the past two years. I hope this tradition will continue into the future and attendance will increase. Don't let just a hand full get the benefit of this subsidised event. It does not get much better for \$5/-.

WORDS OF WISDOM FROM MAXINE

Save Trees – and save yourself money

I have been concerned for many years about how we waste paper by buying notebooks which are soon used up and by making notes, shopping lists, reminders, etc., on good paper which we then throw away.

Also, notes on scraps of paper, or on old envelopes, often get lost.

To help, I have invented an everlasting notebook. It uses specially treated paper and a special pen so you can write in it and then erase with a damp cloth (we supply the pen and the cloth!). This means you can reuse, and reuse, and reuse.

The notebook has sections for Shopping, To do, Birthdays and other important dates, and appointments – plenty of room to record and remember all those important facts, times, and dates. There are even blank pages in case you want to draw pictures or diagrams.

Today is a good day to start caring for the environment and saving trees!

There are three models of *My Everlasting Notebook*. The **Standard Edition**, a **Deluxe Version** and a smaller **Pocket Edition** all made in Australia.

All the details are on the internet and you can order online or contact me.
