## From the President's Desk

**Dear Members,**

Time is running fast. Already half the year has passed and there are 7 more events to come. These events are various in nature. We have a FAMILY CAMP, 45th ANNIVERSARY DANCE, FAMILY SPORTS & FOOD FAIR DAY just to name a few, for all to enjoy. Pretty sure everybody is looking forward to these events.

The recently completed functions had an astounding success rate. The STRING HOPPER NIGHT/ DANCE on 9th May was a sold out event. This was followed by the HAVE-A-CHAT on 23rd May with the same result. What this means is that our members and Guests are enjoying these events to the maximum. It's a wonderful feeling to know that your Committee is going the extra mile to produce some quality functions.

We are now 45 years young and to celebrate this event we are putting all our mental and physical energy to come up with a "NIGHT TO REMEMBER". This is when we take time to salute all our PAST PRESIDENTS and OFFICE BEARERS whose dedication and hard work over the years has made this CLUB go from STRENGTH TO STRENGTH. Davenal has been appointed CHAIRPERSON to this event, so look out folks for some entertaining news ahead. Of course the whole committee will be backing him up. So keep the date free.

The next event following the Anniversary Dance is the much anticipated FAMILY SPORTS DAY AND FOOD FAIR. We know our members will be participating in providing a variety of FOOD STALLS and also take part in all sports activities catered for adults and children.

Until I see you all at the next function, Keep warm.

*Clarence & Rani Thambidorai*

*We trust you enjoy the same fellowship all our members have experienced over the past 44 years*

## **STRINGHOPPER NIGHT – Saturday 9th MAY “Oh what a night it was”**

*We all expected the STRING HOPPER NITE / DANCE to be a sell out event, and so it was, but what was so special about it was that families with kids took the opportunity to make it a family night too, and what a joyous event it became. It was packed to the rafters, so to speak.*

*From the time the Music began it was a floor show. Dancing was paramount, with practically everyone taking to the floor with enthusiasm and merriment on their minds. The "COOL DADDIES" stood up to the challenge and delivered a variety of songs and music to everyone's enjoyment. It was FUN FUN FUN.*

*Yes, the music was non stop. When the Band stop playing our DJ - RUVAN the "DARK 'N TALL 1" took over the reins and belted out a string of wonderful songs and music. It was also refreshing to note that both Muso's played to the crowd. That is not an easy task to achieve all the time, because some of us are "Picky" when it come to music – and so we should be. However, they did it to everyone's satisfaction. Congrats.*

*The only time the Music stopped was when the Raffles were drawn and when our MC, DENNIS ARNOLDA had to make a few announcements . He certainly was on his toes. It was also pleasing to see our Past Presidents, DAVENAL FLANDERKA, GERARD FERNANDO, ASELA WEERASINGHE and NIRANJALIE SILVA supporting these functions. Their wives did the honours by drawing the winning Raffle tickets along with Niranjalee. As a surprise, two small Birthday Cakes were cut to celebrate four birthdays on the night.*

*They say the best is always kept to the last. And so it was, the STRING HOPPER BUFFET DINNER was, without exaggeration, undoubtedly the best we have has so far. Judging by the feedback on the night and the following days, it was overwhelming praise of the Caterers. BRIAN AND SRIDEVI PEREIRA did a wonderful job in creating a mouth watering meal on the night. We salute you for a job well done. They certainly lifted the bar to other Caterers.*

*Of course none of this would be possible without the tremendous help given by my Committee and volunteer helpers. Without a doubt it is their enthusiasm and hard work that made this a night to remember. I raise my hat to DAVENAL, GERARD, ISIDORE, SHARYN, DENNIS, BASHEER, IAN (dudly), RAMMIE and NIRANJALIE for their help and support and of course who can forget the wives and friends for their silent contribution.*

*So until I see you all at the next GALA 45th ANNIVERSARY DANCE on 1st AUGUST, I say a big THANK YOU to all of you.*

**EGERTON**

## **BIRTHDAY MILESTONE**

### **Congratulations**

*To Cec de Jong who celebrated his 90th Birthday recently with his family with a luncheon at Surfers Paradise.*

*Our Best Wishes Cec for many more and your telegram from the Queen !!*

## "HAVE YOUR SAY"

Hi Dennis

I would like my comments below to be published in the next newsletter:

- 1) A big thank you to Deanna for her efforts during her recent tenure as a committee member. Although she would have faced many challenges, she did not waver in her efforts to maintain proper accountability relating to club matters. Her attempts, often single handed, to ensure that a variety of caterers were engaged for club events is also appreciated.
- 2) A big thank you also to Isidore for the huge effort he put in to get the camp going again. He has worked on it in the background for a couple of years and he has driven hundreds of kilometres in all directions, at his own cost, to search for a venue and negotiate suitable arrangements. He has demonstrated what can be achieved if one has the commitment and determination!
- 3) I would also like to thank all those who were involved in organizing the recent "Stringhopper Night". I am sure I speak, not just for myself, but also for many of my friends when I say that the meal was absolutely delicious and the music was great!

Regards

*Niranjalie*

Editor's Note: Thanks for your appreciations.

Hi Dennis

I received this photograph and thought it might interest SFC members. It is the new Burgher Association building in Melbourne (with President Bevill Jansz). It shows that hopes and dreams can be achieved!

Re: The Stringhopper Night

Dear all,

*Thank you for giving us a most enjoyable night. The band was good and the meal was delicious - Brian and Sri never let us down.*

*Karol and I had a busy day driving to Surfers Paradise at 9.30am to celebrate Cec de Jong's 90<sup>th</sup> birthday. We got back home at 6.00 pm. Not having fully recovered from my cataract surgery, I was unable to share the driving. Karol was very tired, and so was I. We could not enjoy the evening as much as we would have liked to, but that was our problem.*

Cheers,

*Deanna.*

Editor's Note: Thanks Deanna, We hope you make a full recovery and have a safe & enjoyable holiday.

### The Have-a-Chat Party-Saturday 23<sup>rd</sup> May 2015 What a Party! From a Silent Observer

Saturday morning from 9.30am the enthusiasm was highlighted when the members', guests and stall holders started arriving. Sharyn and Niranjalie at the entrance, were kept busy collecting monies for subscriptions, tickets and directing members and guests to their tables. The stall holders had to enlist help from Issidore's helpers to bring in their goods and set up their stalls. Caterer Jeremy arrived with his excellent morning tea and lunch. He was accompanied by Rena, the CLUB catering mogul who delights in attending these parties and helping to make it a success.

At about 10.30am. Issidore gave the signal to commence proceedings. Our President Egerton grappled with the microphone and with his commanding voice apologised for the late start and opened the day giving members and guests an idea of the programme for the HAC. This was welcomed by a gathering of about 80 members and guests, which was a grand turnout for the HAC. It was wonderful to see many longstanding members and new Guests present.

### **What a Party! - Hawaiian?**

The celebration began with the serving of the exquisite morning tea, prepared by Jeremy and laid in Buffet style by helpers, Romaine, Rena and others whose names escape me. Once everyone was seated the fun begins first with a short presentation of slides of the proposed Aged home for Sri Lankans in Brisbane, by Srilal.

This was quickly followed by the "Hawaiian Costume" parade, which was the theme of the Party. This was something to watch and admire as there were about 12 participants smartly and elegantly dressed up in Hawaiian costumes. They were asked to parade round the Hall to the Hawaiian music. One of fun episodes was a baby clad in a Hawaii kit and dark glasses, being wheeled round by her Grandmother. After three parades the winners were Niranjalie and Yvonne who looked typical Hawaiian's with grass skirts, flowers on their heads and a garland of flowers. Congratulations Niranjalie and Yvonne. You were a delight.

Then the most popular Game, BINGO followed. There were three rounds of Bingo, with Egerton and Rammy (the Joker) being the Callers, and Romaine, Basheer and Becky, doing the hard work of selling the tickets, collecting monies and handing out the prizes.

By this time, everyone was looking forward to the delicious Buffet Lunch. Once again Jeremy had done us proud, with the sumptuous meal and dessert which was enjoyed by all. Many thanks Jeremy.

The music played along and the chatting increased to a high crescendo due to the fact that people were moving around, changing seats and meeting old friends.

Suddenly it was 2.00p.m, and sadly everyone started to say their good byes with fervent promises to meet soon at the next Have -a -Chat.

It was one of the best HAC parties that I had attended. To Issy our chairman many thanks for organising such a great and memorable HAC. To his subcommittee and helpers an appreciation of thanks for helping with the tasks that made the Party a success.

Last of all and most importantly to the members and guests, thank you for your presence, as your attendance has made it a joy for the Club, and helped us to have a GREAT HAC.

### Editor's note.

*The following script is a speech delivered by Sheran Silva at a dawn service on ANZAC day. Sheran is a member of the armed forces and the son of club member Adriana Silva.*

I feel an overwhelming sense of pride to be part of legacy that is, at this very moment, causing people all around the world to stop and reflect on events that occurred precisely one hundred years ago. Every year we have gathered to honour the heroism, tenacity and resilience of that group of young men sent to Gallipoli to face a daunting task. A task that required the ultimate sacrifice.

We can only imagine the thoughts and emotions that flooded the minds of those brave men as they prepared themselves for the test of a lifetime. Completely unaware of the intense and deadly combat that awaited them, the Anzacs went ashore under the cover of darkness. But as morning dawned they faced an entrenched enemy and a rugged, unforgiving terrain. As the battle unfolded, heavy casualties were suffered on both sides of the battle, and a stalemate developed. The campaign dragged on for a eight months and as expected the soldiers endured extraordinary and unbelievable hardships. This had a profound impact back home. As news filtered back home portraying the Anzacs tremendous courage under fire, commitment to their task and the loyalty and mateship forged, a powerful and lasting legacy was formed, which only served to strengthen the spirit of the country, as a result, more brave men willingly put up their hands to fight for something greater than themselves. In many ways this was a defining moment for Australia and New Zealand as a nation.

The spirit of the Anzacs continues to flow through all Australians. Courage, good humour, larrikinism and mateship are qualities embedded within the Anzac spirit. This great nation has taught me one lesson I will never forget, to look out for the man next to you, and this is demonstrated time and time again when volunteers raise their hands in the midst of natural disasters all over the country in an effort to protect the livelihood of local communities and let victims of disaster know, they are not alone.

Since that fateful day in 1915, generations of Australians have demonstrated their desire to step up to service, in conflict, peacekeeping and rebuilding of communities. The men and women of the Australian military have, on numerous occasions, served with distinction. I only hope I can uphold the proud tradition placed before me. So this Anzac day we commemorate one hundred years of service and sacrifice in all theatres of war and peace. Members and families of the Australian Defence Force can stand proud knowing they are part of legacy so rich in culture, a legacy that will endure for many years to come.

Although Gallipoli saw the loss of countless fathers, brothers and sons on both sides of the battle, individuals from all ends of the globe still come together united as one. Therefore, I would like to share an Anzac tribute written by a former Turkish president and Gallipoli veteran.

***"Those heroes that shed their blood and lost their lives, you are now lying in the soil of a friendly country. Therefore rest in peace. There is no difference between the Johnnies' and the Mehmet's to us. Where they lie side by side now here in this country of ours, you mothers who sent their sons from faraway countries wipe away the tears. Your sons are now lying in our bosom and are in peace having lost their lives on this land. They have become our sons as well".***

## *From the Editor's Desk*

Dear Members,

Welcome to the May / June issue of Silver Scene. As always I hope this issue will entertain and keep you abreast of what's happening in our club and the broader community. The two functions this past month have been resounding successes thanks to the hard work of the organising sub committees. Comprehensive reports of these are within the newsletter.

Of major interest is the news of moves to build an aged care facility for Sri Lankans here in Brisbane. Details of this and a survey form are also within. Please take the time to complete the survey and return it as indicated.

Also included is a flyer about the annual pilgrimage to the shrine dedicated to Our Lady of Madhu in the tranquil Marian Valley. This has been a popular event in the past.

The Club will be conducting a "Monster Raffle" with amazing prizes, to be drawn at the Christmas Dance. Prizes include Airline tickets, white goods and other quality items. We look to your usual support to make this a success. Tickets will be \$2.00 each and will be in books of 20.

Thank you to all those who have taken the time to submit articles to our newsletter.  
Cheers — Dennis

### **Aged-care facility for Sri Lankans**

A group of Sri Lankans are spearheading the effort to get a Sri Lankan Aged Care facility in Brisbane. A similar facility is being built in Melbourne to be opened in September 2015. That experience is being leveraged to in planning.

It is meant for the aged who cannot manage their day to day tasks such as cleaning, dressing, eating by themselves.

Facts about aged-care in Australia:

- ⇒ Your eligibility is determined by the government.
- ⇒ Once eligible you can get to an aged care facility whether you have money or not.
- ⇒ If you have no money, the government will foot the bill.
- ⇒ If you have assets and income, the government will determine the amount to be "deposited" at entry. This will depend on the location of the facility.
- ⇒ When you leave the facility the deposit will be paid back to you or your heirs.

Proposed Sri Lankan Facility

- It is predominantly for people of Sri Lankan heritage with predominantly Sri Lankan food and carers.
- ARCARE will fund the construction and operation of the facility. There is no cost to the community or to individuals.
- It will have individual rooms with attached baths, common spaces, dining areas etc.
- When qualified anyone can apply for the facility but Sri Lankans will be given preference
- Government approval is required for ARCARE to build the facility
- The application to the government requires evidence of community support for the project. The attached form is for this purpose – to provide data to the government to support the claim.

*(Continued on page 7)*

(Continued from page 6)

- **Completing the form is obligation free. It is merely a show of interest for such a facility to be built. The more responses we get the stronger our case will be.**

To achieve this first step, please complete the two page form following and forward it as follows:-

Post your responses to **David Reece, P O Box 1286, Darling VIC 3145**

**OR** Email to **dreece@optusnet.com.au**

Phone: **0412 041 375** (for any queries)

Once again, no obligation to accept it. Your responses will be treated in the strictest confidence.

**Thank you for taking the time.**

## SRI LANKAN RESIDENTIAL AGED CARE SURVEY FOR QUEENSLAND

Leading residential and home care provider Arcare in consultation with the Federation of Sri Lankan Organisations in Queensland has commenced planning for a residential aged care residence that caters specifically for the Sri Lankan community in Brisbane and surrounding areas. An application is to be made this year for licences for this residence from the Federal Government. Please complete this survey so that we can help plan for the future care needs of you, your family and friends. Completion of this Survey form does not mean you have made a commitment, but indicates your interest in the project. All responses will remain confidential.
