## President's Message

Hi everyone,

It's hard to believe that we are already into June. 2021 is moving fast and the committee and I have had our hands full with so many challenges with our 50<sup>th</sup> Jubilee Dance. Countless hours have been spent visiting our venue, negotiating the best package we possibly can, and making hundreds of other decisions in preparation for the Dance.

As mentioned in my last report, plans to hold our function at the Grand Chancellor Hotel in June were scuttled by the weight of member feedback voicing concerns about our choice of venue. By extension, our members' concerns effectively ruled out many other hotels which have a quarantine wing to their business. So it was back to the drawing board and urgently too as we scrambled to find an alternative.

You will probably know by now that we have booked and confirmed the Ballroom at Victoria Park Golf Club on Saturday 28<sup>th</sup> August for our Dance. After all the feedback we've been receiving from our members, we thought we would be fortunate to have 150 guests at the function and budgeted for a worst, most likely and best case scenario of 120, 150 and 170 guests respectively. To our absolute surprise, we received over 300 requests for tickets from members and their guests!! We immediately set up another visit to Victoria Park and after a lot of discussion, established that we can fit a maximum of 240 guests. So once again, we had to re-visit everything including a possible change to their Marquee which holds 350+ guests, but unfortunately it was already booked on the same day. We even considered a possible date change yet again, to try and fit everyone in. After many long hours of deliberation, the Committee made the following key decisions:

- To stick with the Ballroom (with 240 people) and NOT change the date.
- To give ALL members who had booked a guaranteed ticket, and put everyone else (ie. all non-member friends of members) on a waiting list.
- To put some very strict rules around paying for tickets early so that we can quickly establish what extra tickets are available to offer to people on the waiting list.

I'm sorry we'll be unable to have all the friends of all members at our function, but I assure you that we have done the best we can and more, and been extremely fair and diligent in our decision making, all things considered. Believe me, it's been a very challenging time for us but we have stepped up to the plate and made the hard decisions that you expect of us. You should be very proud of your Committee, as I am.

On a related matter, one of the commitments I made to you as President was full transparency of how we operate. In keeping with this promise, I need to tell you that budgeting on having 150-170 guests, and to keep the tickets as affordable as possible, we decided to subsidise the tickets prices as much as possible. The problem is that with a full house of 240 people, we are now well overspent in what we budgeted to subsidise. In other words, the more people we have attending the function, the more we are losing. It would've been much more financially astute to set a cut off at our budgeted 150 or 170 guests to maintain our fiscal responsibilities, but made the tough decision to go well over budget to ensure every possible member of the Club had the opportunity to come celebrate this 'once-in-50-year' event.

We'll have to be very diligent in the coming year or two to re-coup some of our overspending and replenish our reserves. In the meantime, if you could help us with any donations or gifts for the raffle, or with some advertising in our souvenir, please talk to any of the Committee members. It all helps.

In other news, I want to let you know that we have been doing some work with the Federation of Sri Lankan Organisations in Queensland (FSOQ) in recent weeks. For those that don't know about FSOQ, there is an article in this Newsletter written by Marcelle Moran with more detail about FSOQ and the important work it does for all Sri Lankan clubs and indeed to help all Sri Lankans in both Brisbane and 'back home'. At present, I want to promote a special 'buy-a-bed' campaign being supported by all Sri Lankan Clubs, under guidance from FSOQ. Essentially we need funds to send 350 much-needed hospital beds donated by the Mater Hospital to the Sri Lankan hospitals facing massive overcrowding due to Covid-19. Please see the flyer in this Newsletter about this campaign, and please give generously to this worthy cause.

We had our first Have-a-Chat for the year on 16<sup>th</sup> May and once again, it was a great way to spend a Sunday afternoon with some great food from Thilani Caterers, great music from Ray Anthonisz and all the fun of two rounds of bingo. Our Club Captain Sandun Wickramasinghe has written a separate report on the function later in this Newsletter. Our plans for 'Christmas in July' are in full swing and we hope to have a great turnout so please book tickets early to ensure you don't miss out. And just for something a bit different, we are also planning a bus trip to Sirromet Winery at Mount Cotton in June. More information about these two events can also be found in this Newsletter.

That's about all for now. Keep well and stay safe everyone. All the best.

**Laurensz Manricks**

## EVENTS / FUNCTION REPORTS

### ANNUAL CAMP 2021

The Camp was held last month from the 23rd to 26th April. However, for reasons including Covid-19, we did not have the usual responses and it looked like we may have had to cancel this year. A big thank you to Judy Fernando and Pavithra Ratnayake who likely saved the camp by bringing the total number of attendees to 45. Most of these people had never been to our camp and it was great to see new faces.

As expected, we had a tremendous time with many activities. I must thank our Club Captain Sandun Wickremasinghe, Denis and Suzie Anthonisz for their dedicated hard work organizing the sports events and dinner dance, especially the creative décor at night. I must also thank Shirley Don, Julieta and Jerome Thambidurai's family for helping in the kitchen and a donation from Subashini and Chelake Ratnaweera which we put towards one of our functions. Thank you also to those on roster for cleaning and washing up and to those who joined and helped where necessary.

Our Cricket match and sports (Athletics) were a great success. Not to mention our concert with the highlight being the "Hawaiian Rhapsody" by Denis with his coconut shells and Sandun stringing along. Was great fun and we could not stop laughing. I must also thank our new members who brought their own musical instruments and sound system and played good music and karaoke. A great time was had by the young and old.

There were lots of people I should have thanked but far too many to mention everyone. A big thank you to Susan and Fyri for their support given behind the scenes and not to forget the backbone of my life, my lovely wife for her help and support at the Camp, arranging, ordering, help with allocating cabins and serving fruit to players on the sporting ground. I must also thank the management of Lake Perseverance and Kerri from the Toowoomba Council for all their help and support.

Although we did not make a surplus from the camp this year, we met many new friends and signed up new members who all indicated they will bring others to the club and future camps. This is great news considering we almost did not have a camp this year. This will only mean a bigger and better camp next year!

Please note that I have promised my wife that next year will be my last if I am to be nominated. I really do enjoy organizing the camp, but it does take a lot of time and energy.

Thanks and appreciation to all you lovely people who attended and helped the Silver Fawn Club, the oldest Sri Lankan Club in Brisbane.

Thanks and God bless you all

### “Have-A-Chat”

Sixty-seven members and guests descended onto Mitchelton Senior Citizens Club on 16<sup>th</sup> May 2021 for what turned out to be another enjoyable ‘Have a Chat’ held in typical Silver Fawn style.

Our Club President Laurensz warmly welcomed members and guests to the event and provided an update of the club activities for the rest of the year, with special mention about the preparations for the upcoming 50<sup>th</sup> Jubilee Dance in August. He also touched on the Club’s involvement with FSOQ and the current ‘buy-a-bed’ campaign launched to send 350 hospital beds donated by the Mater Hospital to Colombo. See separate note in this Newsletter from Marcelle Moran regarding the FSOQ.

As always, the members and guests were treated to a scrumptious buffet-style, Sri Lankan lunch followed by dessert. This time, the catering was prepared by “Thilani” and I particularly enjoyed the Sri Lankan style beef curry.

Our one-man band and fellow committee member Ray Anthonisz entertained guests with a variety of popular songs presented in his inimitable style. We are most thankful to him for his wonderful performance which no doubt made for a lively and memorable afternoon.

The much-awaited Bingo session had its usual thrills, spills and comedic heckling from the enthusiastic participants throughout. The two games produced the usual four winners and plenty of laughter and fun along the way. Thank you to our bingo callers Egerton and Sharyn.

As always, our raffle was well patronised, and this time a second raffle was held to ‘sell-off’ the extra provisions left over from the recent Camp. A big thank you for everyone’s support of both raffles which ultimately allowed both the Have-a-Chat and the 2021 Camp to cover costs.

A big thank you to my fellow committee members who contributed in numerous ways to make this function a success and to our valued members and guests for their active and eager participation, which made this event a memorable one. We hope to see you all at our next function “Christmas in July”.

### Letter to the Committee

An absolutely delightful family camp organised by the Silver Fawn club gave an opportunity to cultivate new friendships while nurturing the old friendships. Some of us came with a group of friends, while others joined in just as a family unit. Camp was set up with utmost care for everyone, old, young and young at heart to engage with activities such as a Karaoke, sports day, fancy dress, talent show and sing alongs, showing our musical talents. While walks to the lake and nature photography or simply relaxing on a hammock, gave everyone a chance to explore the surroundings, as well as rejoice in watching children make friendships, and freely explore the campsite. Games of Basketball, Table tennis and laughter of children running through the grounds was a welcome sight for younger families. Scrumptious meals throughout the day satisfied all the members thoroughly. Contribution from families to prepare and serve meals, took many of us out of our comfort zones, yet added the sense of participation and engagement as a community. Overall, an experience to be repeated.

 Pavithra Ratnayake

## (RE) INTRODUCING THE 'FSOQ'

As Laurensz mentioned in his President's Report, we have been doing some work with the Federation of Sri Lankan Organisations in Queensland (FSOQ) in recent weeks. By way of background for those not aware of FSOQ, it was formed in 2013 to ensure a combined 'QLD' voice when engaging with the Australian and Sri Lankan Governments to better the lives of people in Sri Lanka and abroad. The Silver Fawn Club was a founder member of FSOQ and under the leadership of our then President, Davenal Flanderka, made a large contribution to FSOQ's establishment and growth, especially in those formative years. Today, FSOQ's membership comprises eight QLD-based Sri Lankan clubs providing a great diversity of views, goals and aspirations.

Here are just some of FSOQ's achievements, with the assistance of its member clubs:

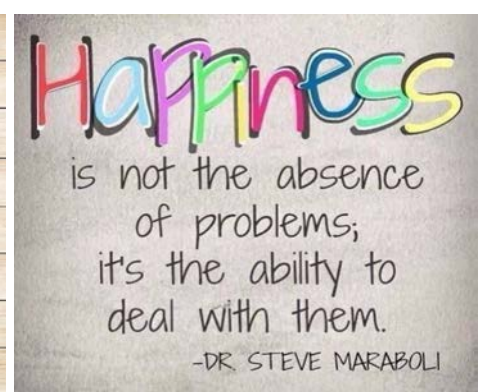

- ◆ Over 3,000 beds distributed to hospitals throughout Sri Lanka through partnering with the SL Ministry of Health and Rotary Jindalee.
- ◆ New and second-hand cricket gear sent to the Foundation of Goodness (FOG), a project partnered by the Brookfield Cricket Club.
- ◆ Used computers/laptops distributed throughout Sri Lanka.
- ◆ Subsequent to the bomb blast in 2019, provided assistance in the form of food packages and recovery assistance to families.
- ◆ Schoolbags with essential school supplies provided to students.

Currently, FSOQ is collaborating with its member clubs on a few interesting projects:

- ◆ Raising funds to transport another 350 nearly-new electric beds donated by mater hospitals to Sri Lanka. With increasing numbers of COVID-19 patients, Sri Lankan ICU Wards are facing an island wide severe shortage of beds. Please see separate flyer in the Newsletter on how you can donate to this fund-raising.
- ◆ Representing the Sri Lankan community in discussions with the Department of Home Affairs regarding the impact of COVID-19 in Sri Lanka, and its likely bearing on the local Queensland community.
- ◆ Lodging a request with the Brisbane City Council to lease premises for use by the Sri Lankan Associations in Queensland. The Council encourages community development by providing community organisations with facilities and other resources to deliver their activities, and FSOQ intends to leverage this Council initiative to provide a 'home' for its members associations to have their community work conducted in the premises.
- ◆ Forming a sub-committee (including our President) to work on the challenging and highly sensitive issue of Domestic Violence, the objective being to provide information, support and counselling to anyone who has experienced or is at risk of family and domestic violence and/or sexual assault. As a first stage, the sub-committee will develop the information for a web page which can be loaded onto all member clubs' websites. Watch this space.

For more information about FSOQ, please click on their website <http://www.fsoq.com.au/>
