From the Treasurer.....

A note from the Treasurer to inform members that the Club now has an Eftpos machine which accepts Visa and Mastercard debit and credit cards.

The Club's Eftpos facility can be used to make payments such as entry fees for events and subscriptions and will only be available at the event venues. The Club is unable to take credit card payments over the phone and encourages members to make payments for events and subscriptions electronically, wherever possible, direct into its bank account. The use of Visa and Mastercard debit and credit cards attracts a fee charged by the bank which the club will pass onto payers by adding a 2% surcharge to the value of each transaction.

Thank you to our members who have transferred funds electronically to the Club's bank account to pay for tickets prior to events as it makes it much easier to account for and administer the monies received. Please note that cash will still be accepted at venues.

IMPORTANT! PLEASE READ

Please note ruling about non-attendance at our Dances and Have-a-Chat parties.

RULE: Non-attendance at Events after tickets have been sold

1. If a member or guest having booked a place at an event and cannot attend due to unforeseen circumstances and does not notify the Club organiser, or cancels their attendance, **less than 48 hours before the function date**, the member or guest, must pay the full price of the Entrance fee (ticket fee).
2. If a member or guest having booked a place at an event and cannot attend and informs the Club event organiser **at least 48 hours before the Function date**, the Club will refund the Entrance fee (Ticket fee) less the cost of the food as per the Caterer's charge.

President's Message

Hi everyone,

By the time you are reading this, we will be just 2-3 weeks from our big 50th Jubilee Dance at Victoria Park on 28th August. Every Committee member and the wider Dance Committee, ably led by Gerard Fernando (and including three other former presidents) have spent countless hours working on the function, and I want to start this report by thanking them for their patience, resilience and most importantly, for always keeping the members interests at the heart of our decisions and actions. I'm very proud to say that we have not shirked any challenge especially when it came to those hard decisions about the number of guests we could accommodate. As a result, I can confidently say that every member who wanted to be at the function has been offered a ticket. And with all the planning and preparation that has gone into the function, its gonna' be a really special and memorable evening.

This said, at time of writing this report, QLD has just been put into a hard 3-day lockdown which I'm sure will have made some members nervous about what may happen to our Dance. I hope by the time you receive this Newsletter, things will have settled down in Brisbane. All we can do is stay positive and hope for the best, folks. After everything we have all gone through in the last 12-18 months in particular, we really deserve the chance to properly celebrate this once-in-50-year event.

In my last report, I signalled that as a Club, we'll have to diligently work towards re-cooping some of the Club's reserves we've spent on heavily subsidising the 50th Anniversary Dance tickets. The subsidy allowed us to 'give back' to the members by keeping ticket prices much lower than the cost per head. To this end, the Committee has already started work on our next function after the 50th Dance.

As you will see in the enclosed flyer, we are planning a Fundraising event which will entail a combined Lunch and Food Fair, in the third weekend in September. Rather than pay for a caterer, the Committee will, just this time (and like the old days!), be cooking the simple lunch of string hoppars, to help us raise as much funds as possible. We also hope that the Food Fair will also boost our fundraising on the day. Please note that (as mentioned in the enclosed Flyer), only members/guests who attend the String hopper Luncheon will be able to buy at the Food Fair. In other words, the food fair will only be open to members/guests attending the Luncheon, the idea being that you'll come have lunch and a game or two of bingo with us, and while there, perhaps buy some food to take home and enjoy later.

You will also see a flyer for a bus-trip to the Carnival of Flowers in Toowoomba on the second Friday in September. My thanks to Suzie Anthonisz who has done all the legwork to organise this, including finding a Sri Lankan person to give us an (optional) rice and curry lunch. The main point here is that we have limited number of seats on the bus so early booking is essential please. It should be a fun trip and all the details you need are in the flyer in this Newsletter.

In other news, our recent "Christmas in July" was yet another successful function and I always find myself thinking what a lovely way it is to spend a Sunday afternoon. This time round, we had approximately 80 people, some nice food, music, fun activities, the usual games of bingo etc and I'm sure a good time was had by all. Pleasingly, we were financially diligent and ensured that function costs were more than covered by the entry ticket prices and raffles. More about the function in Denis' report later in this Newsletter.

Before I finish, a quick update about the FSOQ's recent fundraiser to transport those beds to Sri Lanka. In short, the response to the fundraiser was nothing short of spectacular. We needed to raise about \$20,000 but at last report, FSOQ had received about \$44,000 (and counting) due mainly to the amazing generosity of the Sri Lankan community in Brisbane. A big thank you to all who contributed; the extra funds gives us a big advantage whenever other beds become available, because we have funds to pay the costs rather than needing to fundraise for every shipment.

That's about all for now. Keep well, stay safe and be kind to each other.

FUNCTION REPORT

The Christmas spirit reigned supreme even if Jingle Bells may be somewhat out of tune for traditionalists in the middle of the year....right season wrong month!!?? However, the uncertainty of Covid, masks, restrictions and no dancing didn't dampen the spirits of 80 Silver Fawn members who know how to celebrate, enjoy each other's company and have a good time.

Mitchelton Hall looked a picture thanks to the creative ingenuity of Suzie Anthonisz and Marcelle Moran, dousing the hall and its guests in Christmas cheer. No dancing was the Covid edict but Ray Anthonisz softened the blow with the dulcet tones of his beautiful music. And the games were fun! A Christmas story saw the chocolates passed around the table amidst much noise, hilarity and the challenge of 'left and right' performed in a pressure situation. Dressing up the Snowman (Oops! I suppose Snowperson is politically correct!) saw everyone's creativity come to the fore. The judges had a hard time selecting the winners of the Oscars from an impressive field of Snowpersons of all shapes and multiple persuasions. And no mannequins were injured in the process! And then the old team of Egerton de Fransz and Becky Misso were back to their mercurial best in the only game that silences a Silver Fawn crowd – BINGO!

Interspersed between the Christmas joy, our July yuletide appetite was whetted by three delicious courses from Nicola Seneviratne and Christmas cake by Christina de Silva. Thanks ladies. And while on the subject of thanks, special mention needs to be made of the hard working sub-committee for this function and to Susan Fahir for her organisation of the raffle and everything she does. We are so lucky to be served by the Committee members who continue to work around the challenges of the pandemic and by our faithful members who turn up to party no matter what.

"Oh what fun it is to ride in a Silver Fawn in July sleigh!"

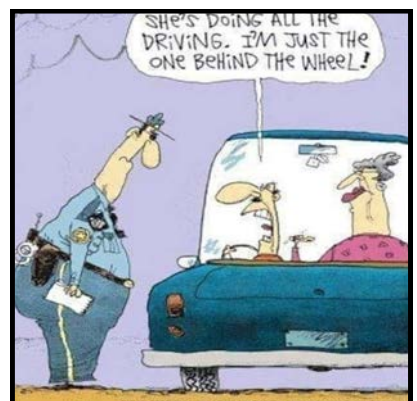

Denis Anthonisz

Letter to the Committee

Thank you to the committee for persisting with plans for the Christmas in July event, despite the present restrictions. I believe the fun games organised by Denis ably compensated those who miss the joy of dancing, more so because of the great music that accompanied Ray's pleasant voice. The table décor and Nicola's savouries, mains and dessert assured us it was "Christmas in July". For those of us who strive to follow the Covid guidelines, it was encouraging to see many with faces covered by the mandatory masks, while the small minority who resisted, would make Denis' task of keeping us all safe, easier.

We are privileged in this club to have a committee and indeed several members who help behind the scenes, with energy, enthusiasm and imagination to plan and bring to fruition, events not only to keep us connected as a community but for those of us in the twilight years of our lives, an opportunity to live more fully each within our own limitations.

Deanna

MY JOB SEARCH

1. My first job was working in an Orange Juice factory, but I got canned. Couldn't concentrate.
2. Then I worked in the woods as a Lumberjack, but just couldn't hack it, so they gave me the axe.
3. After that, I tried being a Tailor, but wasn't suited for it, mainly because it was a sew-sew job.
4. Next, I tried working in a Muffler Factory, but that was too exhausting.
5. Then, tried being a Chef - figured it would add a little spice to my life, but just didn't have the thyme.
6. Next, I attempted being a Deli Worker, but any way I sliced it.... I couldn't cut the mustard.
7. My best job was as a Musician, but eventually found I wasn't noteworthy.
8. I studied a long time to become a Doctor, but didn't have any patience
9. Next, was a job in a Shoe Factory. Tried hard but just didn't fit in.
10. I became a Professional Fisherman, but discovered I couldn't live on my net income.
11. Managed to get a good job working for a Pool Maintenance Company, but the work was just too draining.
12. So then I got a job in a Workout Center, but they said I wasn't fit for the job.
13. After many years of trying to find steady work, I finally got a job as a Historian - until I realized there was no future in it.
14. My last job was working in Starbucks, but had to quit because it was always the same old grind.
15. SO, I TRIED RETIREMENT AND I FOUND I'M PERFECT FOR THE JOB!

A true friend

is someone special who can stand
inside your shoes, feel your joy and
sadness, not judge or accuse.

Someone you can sit with, not uttering
a word, but knowing in your silence
there is something to be heard.

To have a friend as such as this is
something very rare.
Cherish this special friend
with tender loving care.
