Editorial

Hello friends old and friends new.

My wife, Elizabeth, and I joined the club on 8th March. The day before the AGM. But we have been around for a long time. We arrived in Australia from England on 8 August 1991 and my wife's cousin, Thérèse Anthonisz immediately persuaded us to join and got me to accept the position of treasurer. It was an easy job because, as secretary, she did almost all the work. It was, however, a great way to meet people in our new country and we have made many friends through the club.

Later, we ceased to be members as we did not have the time to attend events. I was working in Thargomindah which is almost 1,000 Km from Brisbane.

Recently we have found we have been doing less and less in a social way and so we decided to rejoin the club and catch up with our old friends. Of course, we immediately booked to attend the AGM.

Before leaving the house Elizabeth and I made a firm agreement that we would not become involved with the committee but would just attend events and enjoy ourselves. It was therefore a surprise to me when Elizabeth turned to me during the committee elections and suggested I should respond to the passionate pleas for someone to nominate for secretary. So that is how I became secretary and, naturally, I got Elizabeth to nominate for assistant secretary.

It has been a busy time getting to understand how everyone works and what needs to be done. Particular thanks are due to Denis and Suzie for helping me to take over, and to Brian and Laurensz for supporting me in improving the working of the committee.

As editor of Silverscene, I hope to bring you all the information you need to take full advantage of all the club offers. I would like to include any messages from members and any contributions they can provide. You may have a favourite recipe, a memory of life in Sri Lanka, or news of someone who members may know. Let me have the details and I will share your contribution in the newsletter.

The committee has decided to cut Silverscene to four editions a year. Most members get their information by email, and we will be sending out more Email Blasts to rapidly let members know what is happening and to advise of events. This will help everyone to keep informed and will mean there is less reliance on the newsletter. This was done very successfully for the annual camp at Lake Perseverance and that is now nearly fully booked.

If you have any feedback or suggestions for the Committee or regarding the club, please send them to me. I do not promise to publish them, but I will try to do so if appropriate.

The next issue of Silverscene will be published in early July or even in late June so if you can send your contributions to me, I will be happy to include them. I would like these by the closing date of 15 June. If sending documents, I would prefer to have them as Word documents or google Pages rather than in PDF format. PDFs do not always embed in the newsletter properly and if I convert them, they can end up really garbled.

Make a "New Editor Resolution" to send me something for each edition.

I hope to meet many of you at the club functions in the next three months.

David Grugeon

President's Message

Dear Members

Firstly, my apologies for the delay in the release of this edition of the Newsletter. As you will know, the Newsletter is a lot of work and requires a particular skill set, both of which have taken some time to replace following the retirement of Suzie Anthonisz from the role after three years. More about the Newsletter later.

It was a well-attended AGM on the 9th of March 2024 with around 55 members present. There was a very good participation from all present, which was a clear indication that there is still, a strong interest in the progress and continuity of our Club.

I am privileged to have been elected as President for this year. It's big shoes to fill in of my predecessors and I am confident that with the support of all the Management Committee members, together we will grow as a team and lay out a series of exciting events for our members. I am a very firm believer in teamwork and the many advantages it has in creating productive and exciting plans for as many events that we can include in our program for the year, that eventually, will benefit all our members. This is very exciting!!!

It's exciting to have on the Committee, last year's President Laurensz Manricks, who had done a tremendous job over the last three years. This year he will be in the role of Treasurer. Also from last year: - Gerard Fernando, Ray Anthonisz and Tyrone Allon. It was a great pleasure to have worked with them in 2022. There are also several other committee members that have served in previous committees in the past like Isidore Storey – past President, Basheer and Yvonne Omar and Deborah Jansz. I would like to welcome David & Elizabeth Grugeon - Secretary and Assistant Secretary who have served on the committee for some time in past years. I would also like to welcome Maithri Jayawardhana- Club Captain and Ruth Storey. I wish them all the very best for a successful year ahead.

I would like to take this opportunity to thank the outgoing committee for their hard work over the last 12 months and the many years before. The efforts of Denis Anthonisz- Secretary, Suzie Anthonisz – Assistant Secretary and Newsletter Editor/Producer, Thomazine Fernando – Assistant Treasurer and Memberships Officer, Ranjan Wijeratne and Namal Wijeratne both General Committee members, were outstanding.

For those of you who couldn't attend the AGM, there was a very strong discussion regarding the lower-than-expected attendees at Club events last year, as well as two events (the Camp and Melbourne Cup) that had to be cancelled due to a lack of support and participation of members. The bad news is that this largely resulted in the club making a loss of about \$2,700 last year. There was also lots of discussion led by Laurensz around the club's financials, which he has summarised in a separate Treasurer's Report later in this Newsletter. I encourage all members to review his report to fully understand the Club's financial position and challenges.

Before I finish talking about the AGM, there's some great news to share with you. I am excited to announce that the outgoing committee has given the club a wonderful parting gift. After three applications over a two-year period, they have recently succeeded in securing a special once-off grant from the QLD Government for \$23,500. No, this is not a typo, just one of the most significant achievements in the club's history. The funds are going to help us refresh all our old archaic club assets such as our computer, music/PA system, audio-visual gear etc which have long been written off. This will effectively set us up for the next 5 – 10 years which is just great. Best of all, we have been given sufficient funds in the grant to finally get our Club website professionally rebuilt.

To summarise, we have a great new committee, some new energy, ideas, and soon we will have all new equipment and a flash new website too, so it all boils down to one thing. Now, more than ever, your participation is paramount to the success of events, and the ongoing success and growth of our Club. We must understand that the Committee is made up of a dozen or so members who have graciously volunteered their time, in the process sacrificing their personal, family, and professional time. This is for a period of 12 months, all with a view to providing you with exciting events. Keeping this in mind, I ask you to please continue to attend as many events as possible and contribute towards its success.

President's Message (Continued)

We have had our first Committee Meeting on the 18th of March 2024 which was very productive. I am happy to announce that Basheer Omar has also been appointed to the General Committee at our first meeting. Also, David Grugeon, Secretary, has agreed to take on the additional role of Newsletter Editor with Elizabeth Grugeon assisting him in this role too. Deborah Jansz was appointed as Membership Secretary and Club Communications.

We also decided to implement a new cost saving initiative regarding the Newsletter. Please see the separate IMPORTANT message (on page 9) regarding the Newsletter.

A full calendar of events has been planned for this year. Amongst these, the first big one is the Annual Camp at Lake Perseverance from the 4th to 6th May 2024. Isidore Storey, Camp Co-ordinator and his sub-committee are in full swing organising this exciting event. The next function is the 'Have A Chat' on Sunday 26th May 2024 at the Everton Park Bowls Club. Numbers are limited for both these events and will be on a 'first-come, first-served' basis. So please get in there as early as possible to avoid disappointment. Don't miss out!!! More information can be found in the Flyers later in this Newsletter.

In conclusion, I would like to sincerely thank all the members in advance, for their full support and participation at all Club events and functions. Your participation is imperative to the success and growth of our Silver Fawn Club.

Thank you and stay safe!!!

Brian Dissanayake

CHANGE OF ADDRESS

As a cost-saving measure and because the Post Office Box is now rarely used, the Committee has decided to discontinue this facility. Mail for the club should now be addressed to:

63 Beresford Circuit,
BRACKEN RIDGE, QLD 4017

For three months, mail sent to the PO Box address will be redirected. When the redirection ends any mail sent to the PO Box will be returned to sender.

Treasurer's Report

Dear members,

Firstly, I'm obliged to point out that the Audited Financial Report for 2023 was signed by Denis Anthonisz and myself, as former Secretary and President. This was at the request of the Auditor who made the following comment in his Audit report as follows:

The President of the Silver Fawn Club, Mr Laurensz Manricks provided the information required to complete the Audit for 2023/2024. The President advised that no Treasurer was appointed at the AGM on 11th March 2023. He further advised that, subsequent to the AGM, Ms Nichol Pieris expressed an interest in joining the Committee and was elected to the position of Treasurer at the first meeting of that Management Committee on 27th March 2023. Ms Pieris attended only two monthly Management Committee meetings after 27th March due to personal and family circumstances. At Committee meetings since Oct/Nov 2023, Mr Manricks kept the committee updated of his many unsuccessful attempts to contact Ms Pieris to work on the financial reports for the year. Committee agreed that Mr Manricks to assume management of the club's fiscal activities in the interim.

Shiran D. De J Seneviratne ACMA, CGMA, CPA

As mentioned by our new President, the club made a Net Deficit of \$2,768 last year, and the Income and Expense Statement on page **10** clearly shows the reasons. We made a decent surplus at the Anniversary Lunch, Bollywood Night and especially the Christmas Party, but had deficits on four other events, the largest being over \$800 at our New Year's Eve Dance. When you count the cancellation of the Camp which usually makes the year's highest surplus, and one other function, it all points to what I candidly mentioned in my last President's Report; our committee never really felt sufficiently supported throughout the year which eventually impacted our bottom line. As you can see, our Total Income from Functions was significantly down (by \$9,000) on the previous year.

Looking at the Expenses side, I want to make one very important point, that has been made many times over the last few years. Total Expenses last year to keep the club running was \$7,521, and \$6,757 the year before. When you divide this by about 100 – 120 family memberships, it means that membership fees should technically be \$65-\$75 per year!! Clearly, this is not possible, which is why it is **absolutely crucial** that members support EVERY event the club puts on and, in droves. Put another way, no committee has any hope of covering \$7,500-odd of fixed costs to run this club without members' support. I can't spell it out any more simply or clearly, dear members.

As outlined in this Newsletter, the new Committee has already taken steps to reduce Newsletter costs. Initiatives like this will help but will not fix the problem.

As Brian said in his report, we have a new committee, with new energy and enthusiasm, and a fantastic influx of money to update our club assets. Now all we need is our members to support everything that is planned for this coming year, and just come have a great time.

Keep well, stay safe and be kind to each other.

Laurensz - Treasurer

Changes to the Club's Newsletter

IMPORTANT MESSAGE

As you will see from the club's financials (in this Newsletter), it costs the club about \$1,800 - \$2,000 each year to print and post the Newsletter. The Committee has decided to reduce the frequency of this Newsletter to quarterly rather than every two months. This is a major cost-saving initiative which, alone, could save us at least \$600+ this year.

We currently print and post about 80 – 100 Newsletters every two months. If we can get members to receive their Newsletter via email, the potential savings could be more than \$1,000 next year. And with Australia Post announcing more big increases as of April this year, we really need to cut costs in this area.

We currently have members who have been receiving a printed copy as well as an electronic copy of the Newsletter, again adding unnecessary costs for the club.

We encourage all members to please ensure that the Club has a current email address so that we can send you an electronic copy of the Newsletter going forward. Not only will we make important cost savings for the Club, but we also help the environment by not printing so much, and most importantly, you will receive your Newsletter at least a week before any printed version hits your mailbox and it will be in full colour whereas the print edition is mainly in black and white.

The Committee will work on collecting as many email addresses as possible from members. With the reduction in the number of Newsletters to quarterly, it becomes even more important that we have an email address for all members so that we can maintain regular contact with everyone whenever needed, using email blasts.

Hoping for your understanding and support in this regard.

Laurensz – Treasurer
